

CORPORATE COMMUNICATIONS INTERN

- FOCUS CONTENT CREATION (M/F/D)

Marketing / Communication

Location: Stuttgart

Your vision is ambitious. Just like ours.

Our people are our success. As one of us, you will contribute to engineering excellence for the high-tech markets of the future, including semiconductors, batteries, pharmaceuticals, biotechnology, and data centers. At Exyte, you will be part of a global community of challenge seekers who are ambitious and passionate about innovation. Together, we will build on our company's long history and keep on leading the way to a better world.

Discover your exciting role

As part of the Corporate Communications team, you will be at the forefront of all internal and external communications topics of global relevance. In this role, you will be working with an international team from various departments, getting a glimpse into their daily work and transforming those insights into relevant stories for different audiences.

A large, stylized graphic on the right side of the page. It features a black speech bubble pointing upwards, containing the text "WE WANT" in white, bold, sans-serif capital letters. Below the speech bubble, the word "YOU!" is written in large, light blue, sans-serif capital letters. The entire graphic is set against a background of various shades of blue, with a large, abstract shape resembling a stylized 'E' or a mountain peak in the background.
